Millionares and billionaires are more or less everywhere

negative:

millionaires billionaires took a while to see what is what
dots hard to see how much it is and why 15 for one row?
only top 20? as if there are no millionaires in south africa
bay area not a city
order of countries is differnt in billionaires than millionaires
no Information About time, currency
Millionaires Density would Maybe be more interesting

positive:

good colorcoding

COVID had a really huge Impact on the life expectancy especially for older people

negative: not easy to understand, what exactly does it mean that for People Born in 2000 the life expectancy is about a quarter month higher due to accidents

positive: influence of COVID is quite prominent, first Thing you basically see is the red part which is linked to COVID

Image 3

republicans think they care less about characters and more about issues

negative: wrong diagram type, bar Chart would probably make more sense, cause a pie Chart should Always add up to 100 in the end
Fox News Source is politically biased

positive: Source, Timing, Confidence Intervalls

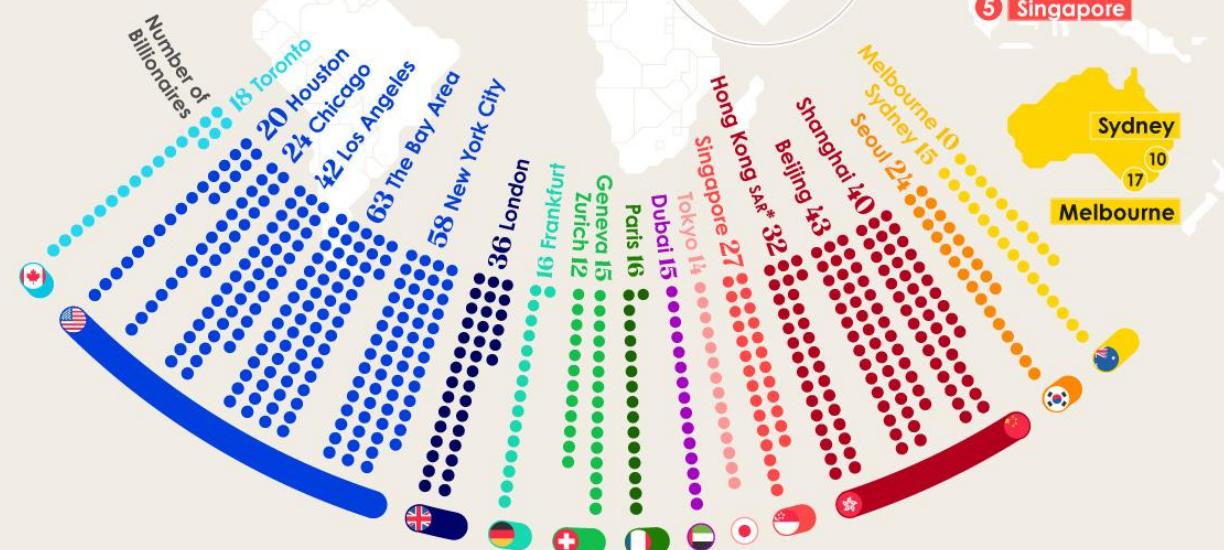

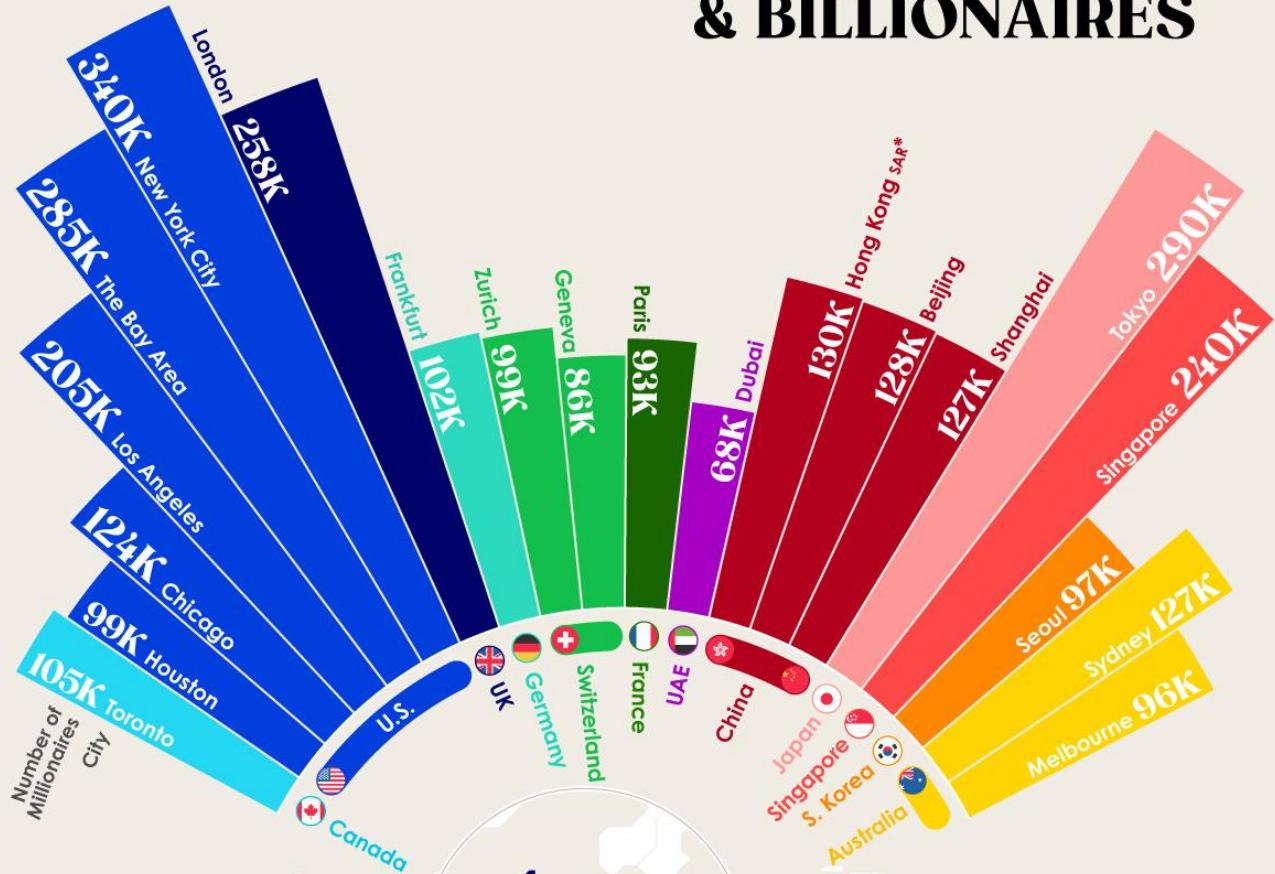

Image 4

Only 8cents of a Dollar spend on cosmetics accounts for the product ingredients

positiv: Focus on manufacturing side,

negativ: Colors are missing
